

NJ State USBC Women's Bowling Association

December 15, 2017

As you all may be aware, the United State Bowling Congress ("USBC") is mandating that all associations, on both the local and state levels, must be merged by August 1, 2018. The NJ State WBA, along with the NJ State BA and Youth Association, have created a merger committee and have been working together to navigate and achieve the mandated merger.

As a result of this merger, a new board will be formed consisting of 34 Directors. All eligible members are invited to apply for a position on the new board by completing the attached New Jersey State Board Director application, which can also be found at www.njbowling.com, and submitting it along with your resume. All applications must be received by **March 1, 2018**. The proposed timeline aims to have an organizational meeting to ratify the new Bylaws and elect the new State Board of Directors for the 2018-2019 season prior to the August 1, 2018 deadline.

Please return all completed applications and resumes to:
