

Twenty Five and Fifty Year Annual Tournament Participation Award

If you have been bowling for a long time, you might be eligible to receive our Annual Championship Tournament Twenty Five or Fifty Year Tournament Participation Award. Review this list of host associations and check off the years of participation. Keep your list up to date and when you are within a year of that silver or gold anniversary tournament, submit this form to the NJS USBC WBA President. We would be honored to recognize this milestone with a special award presented at the next tournament.
